**Subject:** Mining Magazine's Optimizing Mine Operations Conference: Draft Program

Dear Ms Michele Mahoney,

I am delighted to announce that **Mining Magazine's Optimizing Mine Operations Conference** is set to take place on the 30th September-3rd October in Toronto, Canada.

[Download the draft programme](#) now or simply respond to this email and I will send you a copy.

Mining Magazine's Optimizing Mine Operations Conference offers the ideal opportunity for mining professionals to be provided with practical solutions to optimization, human and operational issues. Ensuring exposure to the thoughts of some of the most innovative minds in the industry, attendance guarantees you will stay abreast with the most cutting-edge developments and managerial techniques. Leading keynote speakers include:

- **Samantha Espley**, General Manager, Mines and Mills Technical Services, **Vale**, Canada
- **Andrew Scott**, Director Mining Information Technology and Automation, **Barrick Gold**, Canada
- **Thomas Bolles**, Chief Engineer, **Freeport McMoRan**, United States of America
- **Damon Dormer**, Senior Director Mining Innovation, **Newmont**, United States of America
- **Luke Jalsevac**, Senior Manager Operations Excellence, **Kinross Gold**, Canada
- **Nicholas Seiersen**, Corporate Supply Chain Manager, **KGHM International**, Canada
- **Douglas Morrison**, President & CEO, **CEMI**, Canada
- **Heather Ednie**, Managing Director, **Global Mining Standards and Guidelines**
- **Dr. Hooman Askari Nasab**, PhD, PEng, Professor, Mining Optimization Lab, **University of Alberta**

If you are planning on attending the event then make sure you confirm your place now.

**Ways to register:**

- Online: [www.miningoptimization.com](http://www.miningoptimization.com)
- Call: +44 (0) 207 216 6056
- Email: [cs@resourcefulevents.com](mailto:cs@resourcefulevents.com)

I look forward to hearing from you.

Kind regards,

Iain Bell
